

DEPARTMENT OF PUBLIC ADMINISTRATION

Introduction

The Department of Public Administration established in Moreshwar College, Bhokardan in the year 1996. Public Administration as a special subject of B.A. was introduced in the year 1996. The Public Administration Department has made a qualitative contribution to research and under graduate education since its initiation. We offer specialization in Public Administration for students in the arts faculty. The Department conducts special lectures on Public Administration, How to face competitive examination, student counseling & guidance, Need of disaster management, Shivkalin Administration, Administrative culture, social justice, women empowerment, social development.

The department organized a special workshop on How to write a research project, Digital India and organized seminars, study tour, industrial tour, Essay competition.

Department Faculty actively involved in teaching learning research & extension activities at college level. Faculty have participated and presented research papers in national & International seminars and Conferences.

Objectives of the department

- To provide updated knowledge of the subject
- To guide them to develop their personality
- To guide the students for competitive Examinations like MPSC, UPSC & other Direct recruitment examination.
- To give utmost importance to the rural, socially, economically marginalized sections of students.
- To prepare a student such that, when leaving college after completion of the degree course, he/she is equipped with a positive frame of mind, has basic communication skills, should have acquired the ability to explain something logically and above all, should have developed a balanced personality.
